MODERN PACKAGING

GENERAL ALPHABETICAL INDEX

VOLUME 11

SEPTEMBER 1937 to AUGUST 1938

TS 158
.M6

	Month	Page

A

Abbott Laboratories—Changeover of packaging machinery parts — May 92

ADHESIVES

Case sealing glue developed by Williamson Glue & Gum Works — August 84
Compounds from water soluble resin of Glyco Products Co., Inc — April 90
Give your adhesives a chance; guiding principles in selection. D. V. Williamson — August 75
Liquid adhesive for sealing cellulose and paper put out by Williamson Glue & Gum Works — October 90
Trojan Pree-Fold Stay Tape manufactured by The Gummed Products Co — October 84

ADVERTISING

Basic plan for merchandising newly developed packages; summary of address by F. D. Gonda — April 64
Campaign without end; "Arabia" (Viennese foodchain) — October 96
Display as a medium — June 59
Display gallery — September 58
— October 66
— November 58
— December 54
— January 60
— February 76
— April 70
— May 80
— June 60
— July 52
— August 68
High-relief plaques from Thermoloid (asphalt-treated paper) — July 55
Holiday literature — May 66
Miniature jack souvenir of Duff Norton Manufacturing Company — September 97
National campaign of Quality Bakers of America; silk screen process — August 65
Newspaper, radio and package tie-up; Kellogg's Wheat Krispies featuring "Don Winslow of the Navy" — August 45
Package inserts of Murine Eye Remedy Co — November 56
Shipping container labels of The Manufacturers Charcoal Company — January 100
Shipping containers as mediums; designing and lettering. Egbert G. Jackson — July 27
Tie-in of display and magazine advertising; General Electric Co — May 106
Trade paper and direct mail helps in promotional program of E. C. Atkins Company (hardware) — September 56

AIR CONDITIONING

Developments — March 302
Odor eliminator developed by Consolidated Air Conditioning Division of W. B. Connor Engineering Corp — June 70
Picking profits out of the air. R. T. Williams — November 78

ALCOHOLIC BEVERAGES

Beer campaign of The F. & M. Schaefer Brewing Co. wins windows — October 61
Corrugated litho displays of Oldetyme Distillers, Inc — January 65
Cross street conveyors of Minneapolis Brewery — April 78
Displays of Ten High brand by Hiram Walker & Sons — February 80
Gold award to Jos. Schlitz Brewing Co. for unusual case packing efficiency; detailed description — March 246
Grapes form motif for cognac bottle — September 57
Imported cheer in holiday dress; Schieffelin & Co. gift cartons — November 50
Liqueur bottles with gold-colored aluminum capsules, Hiram Walker — January 98
Liquor departs from precedent; Hiram Walker & Sons add names of non-Walker brands to own labels — October 54
Merchandising newly developed package of Anheuser-Busch. F. D. Gonda — April 64
"Stubby" bottle — February 35
Symbolic designs for Carstairs whiskey and gin containers; tie-in between package and shipping case — July 25
Thermoloid molded displays in form of high-relief plaques — July 55
Whiskey takes idea from food; floor merchandiser of Frankfort Distilleries, Inc — October 68

ALL-AMERICA PACKAGE COMPETITION

After a year's service; review of 1936 awards — March 200
Announcement of 1938 All-America — August 51
Awards, 1937; illustrations — March 119
Detailed description — March 181
Consumer convenience features in 1937 exhibits — March 105
Functions — March 102
Honorable mention packages, 1937 — April 32
Judges — March 118
— August 53
Presentation dinner, 1937 — April 49
Promotion and publicizing (ed.) — January 53

ALUMINUM

Alcoa (Aluminum Company of America) modernizes; carton and steel drum color and design — October 40
Cans for pills, capsules, etc., produced by Victor Metal Products Corp. — December 70
Aluminum Company of America—Alcoa modernizes; carton and steel drum color and design — October 40
American Can Company—C-enamel in can manufacture — September 78
American Management Association—Packaging activities — August 91
Sponsorship of Eighth Annual Packaging Show — March 284
Sponsorship of Wolf Package Competition — March 212
American Marketing Association—Technique of Marketing Research; book review — August 88
Anheuser-Busch, Inc.—Merchandising newly developed package — April 64
Appert, Nicholas—"The Father of Canning" — September 76

APPETITE APPEAL

Bakery and biscuit packaging — September 100

	Month	Page

Colored labels for hors d'oeuvres containers — January 66
Feature in beer window displays — October 62
Arden Farms, Inc. (Flavorseal milk products)—Protective bottle cap; use and manufacture — September 86
Armour & Company—Ham slices go visible — October 102
Arner Co., Inc.—Training of packaging department personnel — June 86
Association of National Advertisers—Display discussions — June 59
Atkins, E. C., Company—Atkins helps dealers capture quality market; illus. Wm. Lincoln Huston — September 54
Automatic Canteen Plant—Increased production; filling machines — June 35
Ayer, Harriet Hubbard, Inc.—Duplex labeler for cosmetic containers — June 56
For baby: a talking package; infants' toilet article package — January 48

B

Baer Laboratories—Container for sulfuraid "21" vials — June 48

BAGS

Automatic bag closing machine marketed by Bag Closing Machine Corp — May 98
Designing fabric bags for fertilizers; Tennessee Corp. (Lōma) — May 114
Printing and design; summary of address by T. M. Scruggs — April 98
Printing odd sizes by Chambon-Champlain bag printing press — October 90
Suitable types for frozen foods — February 66
Type for sample packages — October 110
Vegetable containers — December 27
Water-proofness and moisture vapor-proofness; summary of address by C. W. Beach — April 98
See also Paper Bags.
Bakelite. *See* Plastics
Ball Brothers Co.—Displaying heavy jars — June 64

BARRELS

Construction and use; summary of address by Lawrence Fraizer and George Dyer — April 98
Steel drum manufacture; summary of address by E. B. Thomas — April 98
Baskets. *See* Fibre containers; Metal Containers.
Belknap Hardware & Mfg. Co.—Counter display of fishing reels — August 94

BEVERAGE INDUSTRIES

"Arabia" trademark and packages — October 96
Clicquot turns to cans — April 47
High speed bottling and handling of carbonated beverages; illus. By Frank Archer as told to Francis A. Westbrook — September 65
Refreshing drink, refreshing label; "Cherefresh," product of Reynolds Preserving Co — November 98
"Stubby" bottle — February 35
Bliss Fabyan Co.—Fabric milk filter carton — April 50
Bohack, H. C., Company—Editorial comment — September 102
Window bread wraps — September 44

BOOK REVIEWS

Art of Packaging by D. E. A. Charlton — April 95
Color Prophet by H. W. Schild — July 82
Introduction of New Industrial Products, issued by U. S. Dept. of Commerce — March 298
Letters and Lettering by Paul Carlyle and Guy Dring — March 300
Omnibus of Packaging for 1938, issued by *Shelf Appeal* — July 83
Reaching Juvenile Markets by E. Evalyn Grumbine — March 240
Technique of Marketing Research — August 88
"Window Display Circulation and Market Coverage" published by The Advertising Research Foundation — January 58
Booksellers. *See* Publishers and Booksellers.
Boston Gear Works, Inc.—Packaging program; set-up boxes for couplings — August 58

BOTTLE CLEANING MACHINES

Prize winner; bottle washing at The Upjohn Co. pharmaceutical plant; detailed description — March 254
Washing and drying equipment of U. S. Bottlers Machinery Co — October 88
Bottle filling machines. *See* Filling machines.

BOTTLES

Bell shaped bottle for lens cleaning preparation; cap and label — September 52
Cabinet squares developed by Maryland Glass Corp — June 72
Dropper bottles for liquid food colorings — July 44
Fancy bottles for cocktail sauce and maple syrup — December 42
Give your bottles a chance; conveying, labeling, cartoning, filling. Frazier Smith — June 29
Give your labels a chance; designs and equipment. C. H. Lambelet — February 91
Grape-shaped for cognac — September 57
Handling at Norwich Pharmacal Co. plant — February 96
"Mascu-Line" bottles for men's toiletries — July 78
Square-shaped container for Murine Eye Remedy — November 53
"Stubby" bottle for beer, wine, fruit juice, catsup, table syrups — February 35
Whiskey and gin bottles of Carstairs Bros. Distilling Co.; tie-in of design with shipping case — July 25

BOXES

Assortment for packaging dates; R. C. Nicoll, Thermal, Calif — February 49
Cylindrical and rectangular types for frozen foods — February 32
Leather covered kits for perfumery — October 57
Metal edged for samples — October 110
Metal-edged boxes for valves manufactured by Hancock Valve Division, Manning, Maxwell & Moore, Inc — January 46
Novelty shapes; illus — May 35
Streamlined hinges for molded containers; Rathbun Molding Corp — August 54
Varieties for stock containers of Owens-Illinois Glass Co — August 37
Wood veneer surfaces used in Early American Line of toiletries — July 21
See also Folding Boxes and Display Cartons; Plastics; Set-up Boxes.

	Month	Page
Brands. *See* Trademarks and Brands.		
See also Folding Boxes and Display Cartons; Metal Containers; Set-up Boxes.		
Bristol-Myers Co.—Changeover of packaging machinery parts	May	83
Prize winning labeling processes for "Mum" jars	March	261
Training of packaging department personnel	June	50
Tube filling machines	June	36

Training of packaging department personnel	June	52
Caulk, L. D. Co.—Multi-unit dental cabinet	August	60
CELLOPHANE		
Carton wrapping in Campana Sales Co. plant	January	104
Electrical appliances in transparent wraps; Westinghouse Electric and Manufacturing Company	October	60
Fish packaging	May	56
Handling by new machine of Miller Wrapping and Sealing Machine Co.	December	70
Machine wrapping of Carter's Little Liver Pills	June	54
Milk bottle hoods	April	76
Use in manufacture of stamping and embossing leaf	October	84
Window shades	November	37
Wrapping for partly sealed cigarette packages	September	96
Cemented celluloid for lettering	September	61
CELLULOSE		
Adhesive for joining transparent cellulose materials put by Williamson Glue & Gum Works	October	90
Celery wrapping	December	88
Frozen food wrapping	February	66
Heavy grade for bulky packages	May	37
Hosiery envelopes	November	116
Sample containers	October	110
Scotch tape dispenser developer by Minnesota Mining & Mfg. Co.	March	282
	August	82
Semi-rigid and rigid transparent containers; combining packaging and display	September	60
Transparent cellulose as holiday wrapping for glass containers	August	31
Transparent cellulose for window bread wraps, toys, textiles, etc.	September	44
Transparent cellulose gift wrapping for all-year items	November	100
Transparent celluose wrapping for sliced ham	October	102
Transparent cellulose wrappings in bakery industry	September	100
Types of cellulose film used in vegetable packing	December	90
CHAIN STORES		
Advertising campaign of "Arabia" (Viennese food-chain)	October	96
Holiday packaging	May	37
Chap Stick Sales Co.—Chap Stick goes to the jury; carton and display design for lipstick	December	46
CHEMICALS		
Hot rosin in a paper bag	July	46
International Salt Co. package designs	May	45
Leslie Salt Co. plant installation	April	84
	May	98
Packaging program for 2000 items; package-testing; label code; company-controlled printing; redesigning, structural changes; variety of packages; Merck & Co., Inc.	December	43
Posterized packages; Schalk's Crack Filler	May	58
Sampling problems solved by American Cyanamid and Chemical Corp.	January	54
Training of packaging department personnel; Merck & Co.	June	86
Wyeth, John & Brother, Inc.	June	90

Factor in prize winning packages	March	103
Informative labeling; discussion by J. G. Givner, Mrs. C. W. Moffett, Ivan Miller	April	51
Informative labels (incl. recipes) of S and W Fine Foods, Inc	June	40
Pressure for lower prices, information, protection against fraud and from health hazards and dangerous products	March	106
Utilization of shipping containers	March	112
Consumers' Union	March	108
CONVEYORS		
Belts in Campana Sales (Italian Balm) plant	January	104
Bottling operations of Moxie Company	September	65
Conveying equipment of sealing layout; Norwich Pharmacal Co	August	76
Cross street conveyors of Minneapolis Brewery	April	78
Flexibility with economy at plant of Rutland Fire Clay Co	August	78
From retort to cases; straight line production of Kingan & Company's can casing line	August	73
Handling the round package. Frank Mayoh	November	72
Inverted cartons of Nashua Manufacturing Co	June	37
Light duty overhead trolley developed by Mathews Conveyer Co	June	72
Package conveyor chain of Link-Belt Co	April	90
Shredded Ralston packaging	July	58
Solution of production problems in Norwich Pharmacal Co. plant	February	96
Ten systems for package handling. Frank H. Mayoh	October	73
Use in Hershey Chocolate plant	February	87
Utilization in pharmaceutical plant of Smith, Kline and French	November	66
Cooperation reaches the production man. Wm. M. Bristol, Jr	June	42
Copyrighting. *See* Law and Legislation.		
Corrugated board as display material	January	65
COSMETICS AND PERFUMERY		
Chap Stick goes to the jury; carton and display design for lipstick	December	46
Colored containers	May	55
Duplex labeler at plant of Harriet Hubbard Ayer, Inc	June	56
Gift packaging; illus	May	32
Gifts with a luxury touch; Lentheric, Inc	October	57
New note in toiletries; Early American Line of Shulton, Inc	July	21
Packaging cleansing pads; purse and home containers	July	36
Plastic containers for Jacqueline Cochran line	July	42
Puffer tins for talcum manufactured by Metal Box Co. Ltd	November	86
Streamlined kits; Revlon Nail Enamel Corp	August	40
Wraps of flint and velour papers for containers	January	50
COUNTER DISPLAYS		
Armour's sliced ham	October	102
Baskets for Schalk's Crack Filler	May	58
Book displays of Modern Age Books, Inc	October	64
Dealer convenience display in drug trade; investigation by Institute of Package Research	December	47
Designing displays to earn counter position. P. C. Meelfeld	May	77
Display container of Walton Fish Bait Co., Inc	August	70
Drug line of Royal Mfg. Co. of Duquesne	February	37
Fishing reels; designs of Belknap Hardware & Mfg. Co., Newton Line Co., Shapleigh Hardware Co	August	94
General Electric Co	May	74
Heavy jars; Ball Brothers Co	June	64
High-relief plaques molded from Thermoloid	July	55
Hydraulic pump oilers of Eagle Manufacturing Co	July	62
Individualized mass production; silk screen process of Quality Bakers of America	August	65
Kitchen aids demonstration by Dazey Churn & Mfg. Co	February	71
Linking display and carton designs; Chap Stick Sales Co	December	92
Multi-unit package of Derby Foods, Inc	January	66
"Nabis-Kit" unit of National Biscuit Co	November	64
Sanitary products of Zonite Products Corp	February	73
Screwdrivers; North Bros. Manufacturing Co	May	78
Shredded Ralston; modified checkerboard pattern	July	84
Transparent display takes on new functions; use for optical goods, electric razors, etc	September	60
Triple duty lawn food package of Gro-Lux, Inc	August	42
See also Dispensers.		
Crosse & Blackwell Co. (The)—Changeover of packaging machinery parts	May	94

D

DAIRY EQUIPMENT		
Bottle cap machines of Arden Farms, Inc. (Flavorseal milk products)	September	86
Flexibility in the dairy; bottling group of Page Dairy	April	75
Sanitation via the carton; fabric milk filter of Bliss Fabyan Co	April	50
DAIRY PRODUCTS		
Packaging of Swift's Brookfield butter and cheese	December	30
Daisy Manufacturing Co.—Holiday aids to retailers of Daisy Air Rifle and Targeteer	May	64
Dazey Churn and Manufacturing Co.—Demonstration and display of kitchen aids	February	71
Retailer holiday helps	May	64
